

Photosynthesis *in Silico* Site Licence Order Form

For updates, information, contact details and this order form in PDF please visit the website at:

<http://www.uow.edu.au/science/biol/phis/>

Photosynthesis in Silico

Cross platform multimedia CD.

Site Licences are supplied as a single CD for installation on a server, or the specified number of computers.

Wollongong University successfully uses Novell Zenworks to deploy PHIS.

Jewel cased CDs can be supplied equivalent to the number of licenced copies, but additional charges will be incurred. Contact us for this option.
